Dear Educator: Your student is also a student at Julee Peck's TaeKwonDo America. TaeKwonDo helps develop many good qualities through a fun and exciting art form. Fine motor skill development and lessons in our Tenets of TaeKwonDo- **Courtesy, Integrity, Perseverance, Self-Control, And Indomitable Spirit** - are part of every class. We encourage our students to live by our Tenets and to set goals to do their best in all areas of their lives. TaeKwonDo America students earn the right to wear a gold, silver or blue star on their belts by exercising academic effort and living up to the Tenets of TaeKwonDo while in your classroom. Please support our efforts to motivate this student by completing the following information. Students are evaluated after each of our eight-week testing cycles. Academic effort is measured by how hard the student tries not results only. (Please use this concept in completing the teacher's section below.)

Dear Parent: When filling out your section of this form, please evaluate your child on their tenet leadership at home. This may include showing courtesy to family members, being respectful to parents, etc. Thank you for taking the time to fill out this form.
